

## **Kwong Wai Shiu Hospital & Nursing Home**

### **Chairman's Speech**

Mr Liak Teng Lit, CEO of Alexandra Hospital; Mr Ng Cheow Kheng from National Parks, Friends, Volunteers and Staff, Ladies and Gentlemen:

On behalf of the Directors and staff of Kwong Wai Shiu Hospital & Nursing Home, I wish to extend a warm welcome to all our friends and volunteers. A very special "Thank you" to Mr Liak Teng Lit, CEO of Alexandra Hospital; Mr Ng Cheow Kheng from National Parks and Mr Esmund Chua for leading your teams to come and help us today.

We all know the benefits of having a garden. Our dream is to have our gardens beautified so that our patients, staff and visitors will

- see beautiful flowers, trees and butterfly,
- hear the sound of birds singing and
- smell the sweet fragrance of the flowers everyday.

As you can see, we have a lot of work to do as our entire compound is so big. Today we are concentrating only on the front garden. We will have a big challenge in only maintaining the trees and flowers that will be planted today, but also to start work on the inner gardens. So we hope that after today, you will come back again.

Once again "Thank You very much" for helping our dream come true.
